FIND YOUR YIN AND YANG THIS SUMMER

Editor's letter

Summer always brings out my brighter, more playful side — the one that loves golden evenings, spontaneous plans, and lighter routines. But as life goes on, I've come to appreciate the beauty of balance: slowing down and soaking it all in, while still feeling radiant and ready. This season, I'm inspired by the Yin and Yang of it all — soft meets bold, fun meets focus, carefree days paired with intentional self-care.

That balance shows up in my beauty routine too. For bold, lifted lashes with a feather-soft feel, I'm loving **THE ONE False Lashes Salon Lift Mascara**. When I want to feel like summer itself, **Infinita My Sunshine** is my go-to: Sun-drenched florals and fruity notes that leave a trail of joy. And to 'stay fresh' through every sun-filled moment, **Giordani Gold Woman Roll-On** is both elegant and effective. Of course, I also protect my skin with **Novage+ Day Shield SPF 50** in summer days.

This month, I'm not choosing between opposites: I'm celebrating both! I would also like to celebrate the 11th anniversary of Oriflame Nigeria which has always been an important part of the Oriflame and I believe that its success will continue into the future.
